

UX/UI Designer wanted!

Full-time - Copenhagen, Denmark

We are looking for a talented UX/UI designer to help build tomorrow's SaaS marketing tools. Our disruptive product (www.zenbusocial.com) is built on brutal simplicity to help make busy people's lives easier and businesses improve their performance. But we need your help to lead the vision of our beautiful UX/UI.

Your responsibilities:

- Collaborate with the team to define and implement innovative solutions for the product direction, visuals and experience.
- Execute all visual design stages from concept to final hand-off.
- Conceptualize original ideas that bring simplicity and user friendliness to complex design roadblocks.
- Create wireframes, storyboards, user flows, process flows and site maps to effectively communicate interaction and design ideas.
- Present and defend designs and key milestone deliverables to peers and executive level stakeholders.
- Conduct user research and evaluate user feedback.
- Establish and promote design guidelines, best practices and standards.

Your Skills And Experience

- 2+ years of experience creating interfaces, large scale websites and / or SaaS applications.
- Demonstrable UI/UX design skills.
- Experience in creating wireframing, storyboards, user flows & process flows.
- Proficiency in Photoshop, Illustrator, Sketch or other visual design and wire-framing tools.
- Excellent visual design skills with sensitivity to user-system interaction.
- Ability to think critically, solve problems creatively and effectively.
- A well practiced ability to play nice with others.

Bonus skills:

- A killer portfolio.
- Up-to-date with the latest UI/UX trends, techniques, and technologies.
- Hand on experience with CSS3 and HTML5.
- Strong experience creating and maintaining design standards and the user/business cases to support them.
- Degree in design, interaction design, or related preferred.

Your Benefits:

- Fun and challenging full-time position (starting as soon as possible)
- A great working environment with positive energy and room to develop your talent
- The latest hardware (Macbook Air/Pro or similar)
- Flexible working hours.
- Great lunch and a stacked fridge that is never empty!

About Zenbu:

Zenbu has developed a radically new learning & auditing SaaS tool for content marketing. It helps marketers create better, more relevant content for social networks such as Facebook, Twitter and Instagram. "Brutal simplicity" and an Apple-like user interface - built for real humans - is at the core of our UX/UI design philosophy.
